Commissions’ Monthly “Spotlight” - Brett Haworth

- Discussion if it should be changed or replaced with something different
 - Not sure it’s a “good-use-of-time” project
 - “Spotlight” is meant to keep parishioners aware of our Commissions and what is available in the parish
 - Maybe just put the information out on a narthex table and parishioners can pick it up at their convenience
 - Keep parishioners aware of what is being said/done at Parish Council meetings

Parish Pastoral Council

After discussion, the following was agreed by everyone present:

- Post our Meeting Minutes on the St. Barnabas website
- Any parishioner having a topic they would like considered for discussion at the Parish Council meeting will be instructed to contact one of the Executive Committee members
- Continue the “Spotlight” event monthly in the narthex
- Renee will send the information to Carol Elias for publishing on the website

Commission Summaries

A summary of each Commission’s monthly meeting was presented by the Commission representative present at this meeting. The summaries were submitted in writing. Renee will email them out to all Parish Council, and file them with the meeting minutes.
