Sharing our Treasure with St. Barnabas Parish

Thank you for being so generous with your financial giving to the offertory collection and the many stewardship efforts that take place here. I feel blessed to be your pastor.

As an aid to help our adult parishioners (21+ years of age) plan their tithing (parish giving), begin with Scripture which says to tithe 10% of your income to the Church and other special causes of interest to you. We cannot give to everyone. Choices must be made and God understands this. **As a Catholic, 5% should go to your parish's weekend collection, 1% should go to the Archdiocesan needs, and 4% to your other special causes such as cancer research, etc.** For example, if you make \$30,000 a year, then ideally you would plan to give the Church \$30 per week. I know that this would be a big jump for many, but please prayerfully consider working in that direction over a few years.

The economy still isn't good; many people are out of work or on limited incomes. This affects all of us. I would never ask anyone to do the impossible. If you cannot give to the Church a full 5%, then please give what you can. Every amount given is appreciated by God. Those who give nothing could at least give \$1 per week, for example. Everyone should be giving what they can.

I believe that there are many people attending Mass who have never been taught about tithing. Please pray about it. St. Barnabas Parish is a wonderful parish thanks to you, but this parish needs your help to build a hopeful future. Please pray for me and for Father Jerry as we do for you.

*Respectfully,
Msgr. Tony*
